

Golden West Dolphins Swimming Club members train all 12 months of the year at Leschenault Leisure Centre.

We are a close-knit, community-oriented club of 30 families with over 50 swimmers, from 7 years of age to over 50 years. Our club ethos promotes a strong training ethic and healthy lifestyle program. Many swimmers represent the club at State competitions and travel to represent WA at National competitions.

Our race nights encourage new swimmers to have a go at competitive swimming whilst tracking their own improvement at each meet. We also run handicap events to provide opportunities for younger swimmers to swim against our elite squad members, with everyone given an equal chance to win.

The support of local Australind businesses is fundamental to the success of our club. We invite your business to support us through one of the sponsorship packages attached.

Please email your desire to sponsor to gwpsc@live.com.au and our treasurer will arrange for an annual invoice for the package selected. Upon first payment, I will be in contact to obtain digital logo images for promotional purposes.

If you would like to negotiate an alternate package or have any queries please contact me via the details below.

Kind regards,

Emma Jamieson
